

REMARKS

In the notice dated June 30, 2010, the office indicated that the specification refers to FIG. 91 but no drawing with that designation was described nor was a drawing with that designation present. Applicant has amended the specification to correctly reflect "FIG. 32" rather than the incorrect reference of FIG. 91. It is therefore believed that all issues in the notice have been addressed.

Respectfully submitted,

MARSH FISCHMANN & BREYFOGLE LLP
